## Membership Application Form

### Overseas members' application information.

**Because of potential costs that can be incurred when cashing cheques etc. from other countries the Java Sparrow Society UK ask you to follow the guidelines set out below in conjunction with your membership application.**

The payment will have to be either:

- 1. A cheque**
- 2. A bankers draft**
- 3. An international money order**

All of the above will have to be in **Sterling (GBP)** and 'drawn on a UK bank'.

This means that the bank you get one of the three items listed above from will have to have links with a UK bank. If you ask your bank I am sure they will be able to assist you with this matter.

Thank you for your assistance here and also for your interest in wanting to join our growing society.
